“SUMMER IN FEBRUARY” SALE OFFERS BIG SAVINGS
ON GLENVIEW PARK DISTRICT OUTDOOR POOL PASSES

GLENVIEW, IL, Friday, February 6, 2009 - The temperatures outside may still be frigid, but the Glenview Park District is offering hot savings in February on season passes to its two outdoor pools.

During its “Summer in February” promotion from February 8 through February 28, residents can save up to 30% over the regular resident rate –an \$80 savings for a family of four – on season passes for Glenview Park District outdoor pools. “Summer in February” resident rates are \$68 for an individual and \$37 for each additional family member while nonresidents pay \$85 for an individual and \$46.25 for each additional family member through February 28. These “Summer in February” prices are actually lower than the 2008 “Early Bird” rate! A reduced “Summer in February” rate of \$60 for residents and \$75 for nonresidents is also available for seniors and nannies.

Outdoor pool passes provide season-long admission to both of the Glenview Park District’s award-winning outdoor aquatic centers. The five pool Flick complex, located at 3600 Glenview Rd., features a large zero-depth play pool, eight lane activity/lap pool, diving well, kiddie pool and splash down pool with an interactive spray area and two water flume slides. Roosevelt Pool, 2239 Fir St., offers a semi-circular play pool, five lane activity/lap pool, two deep water drop slides, three meter diving platform and interactive island with water cannons and spray features. Concession areas at both pools offer a variety of healthy meal and snack options to allow patrons to extend their stay at the pools through mealtime.

Both pools will be open daily June 13-August 23. Roosevelt will have weekend and Memorial Day preseason hours beginning May 23 and weekend hours through September 7 (Labor Day) in the postseason.

Customers wishing to take advantage of this special “Summer in February” may purchase their passes in person at Park Center, 2400 Chestnut Ave., or online at the Glenview Park District website, www.glenviewparks.org beginning February 8.
